# Student Life

Throughout the 1973-74 season Parry McCluer has gone through many changes. Included in these is the first year of the quarter system. In most cases it has been accepted as a step in the progression of our school and in others nothing more than a schedule which includes three examination periods rather than two.

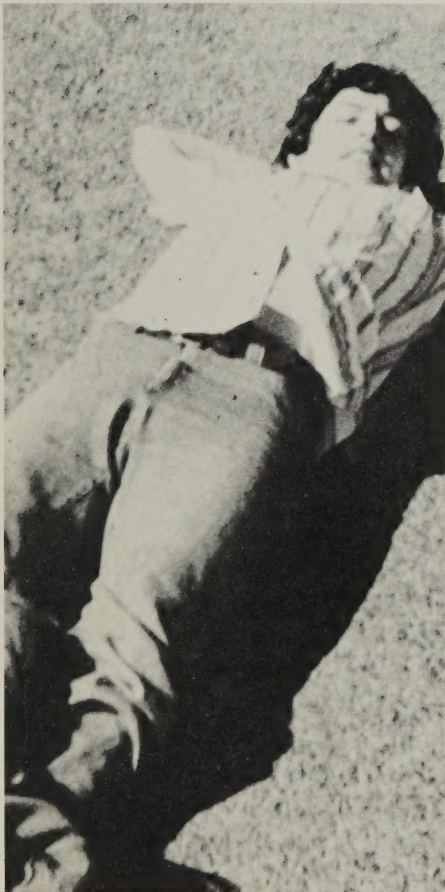

This year we were honored with new faces among our faculty members. These new teachers brought with them a sincere interest in the student and provided us with new and youthful members for their support and guidance.

Underclass interests in activities grew this year.

With the quarter system interests in academics grew.

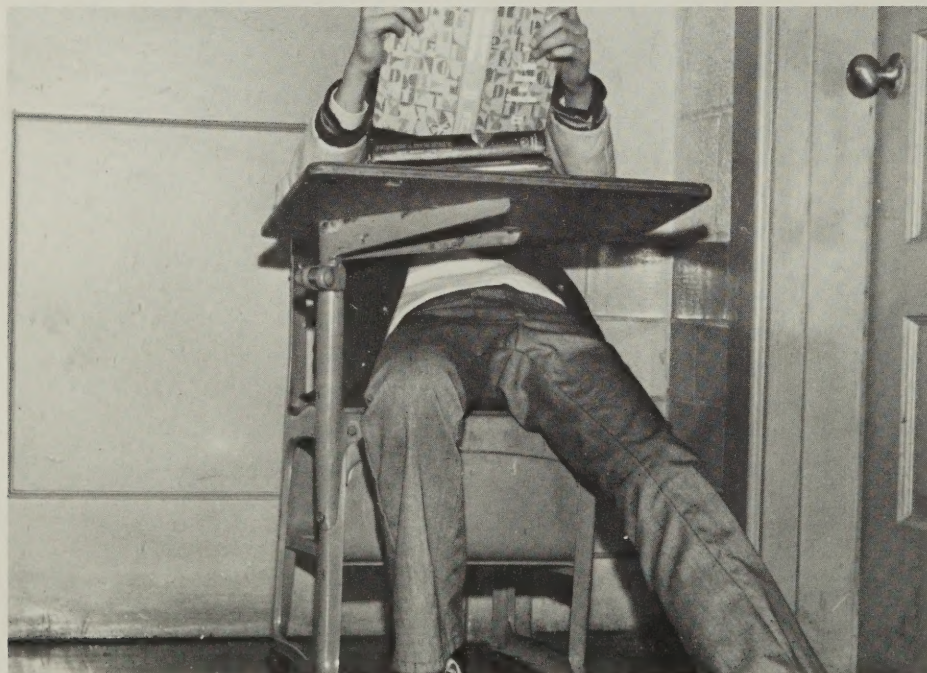

# These Are The Good Times

With the new combination lockers the students felt their belongings were more secure.

With the hectic academic schedules there was still enough time during the day for socializing and fun.

The many clubs offered this year provided the students with numerous activities and interests. Perhaps the one club which grew more and offered more to Parry McCluer and our community was the '74 Drama Club. The interest and enthusiasm which was evident in this group created an excited atmosphere throughout the entire school. Their interests, enthusiasm and **HARD-WORK** paid off on May 24-25 with the successful production of "Cactus Flower".

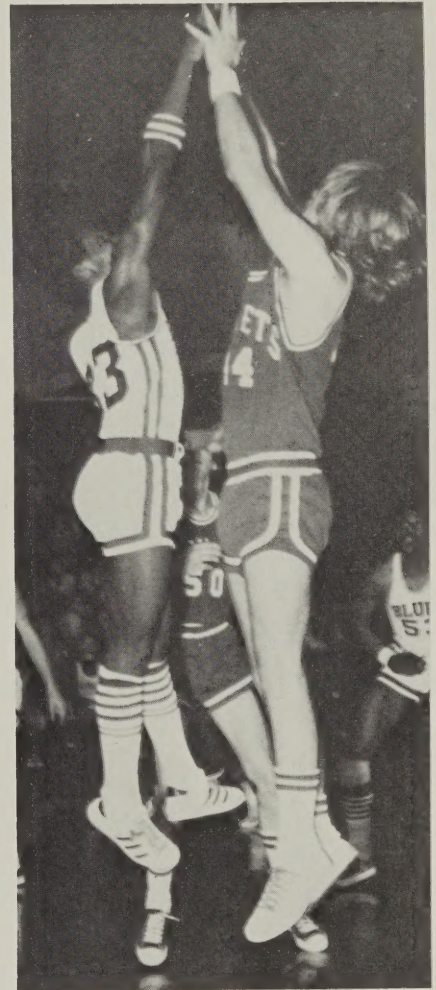

Still other clubs continued to excel in excellence, included in these is the Marching Blues and the FBLA. Both of these organizations continued to bring pride to Parry McCluer and the community.

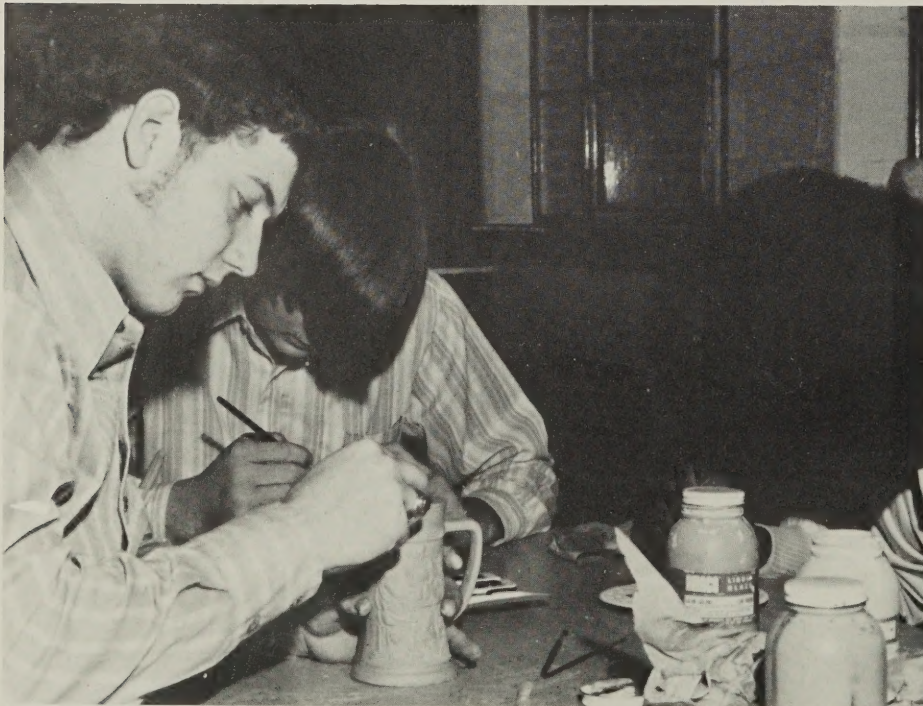

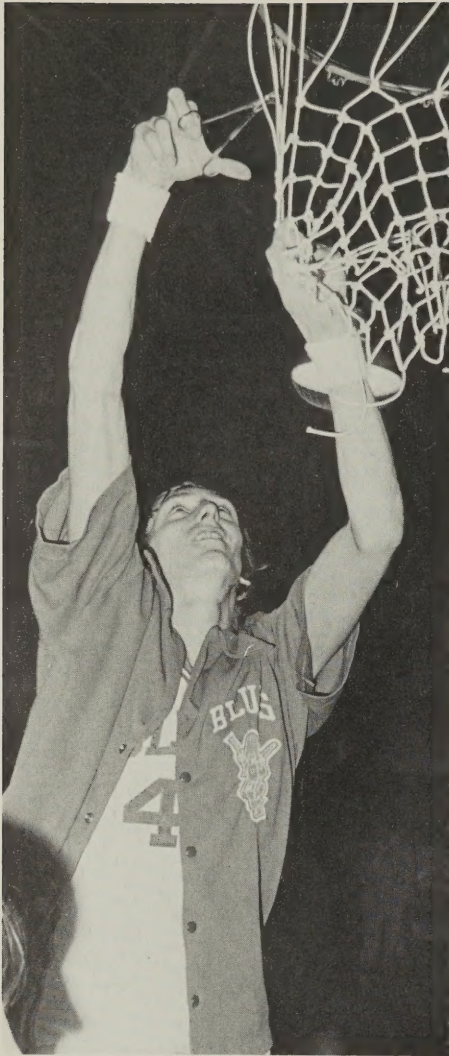

However other clubs and organizations also made important contributions to Parry McCluer. Organizations such as the Pep Club and the Monogram Club along with the cheerleaders attempted to arouse the spirit of the students of P.M. throughout the year. They provided skits and other forms of entertainment at pep rallies as some methods of reaching the students.

There are many clubs at Parry McCluer, too many to mention here, and each one throughout the year has given something to Parry McCluer no matter how small, to make it a better place.

This is the reason the 1974 Parri-mac is dedicated to the students of Parry McCluer, for your willingness to make P.M. a place in which to be proud.

Although some organizations are not as well known among the students it is our challenge to you the students to make all the organizations along with sports at Parry McCluer strong and supportive of a common goal. That goal is the dignity and pride of Parry McCluer High School.

# In Memory

Karen Ann Sutton

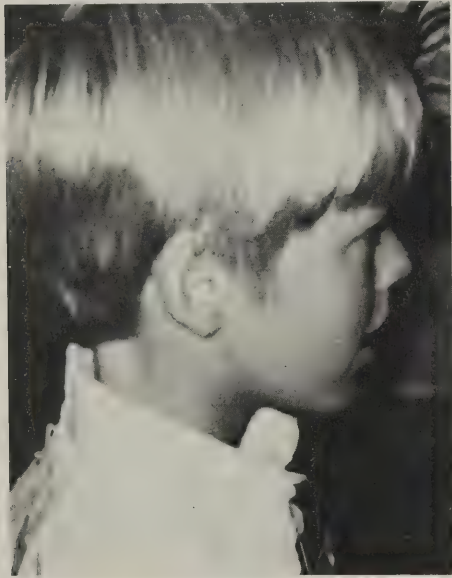

Karen

Four years  
     have come and gone  
 But  
     memories remain.  
 Memories  
     of good times.  
 Memories that sometimes bring  
                     pain.  
  
 It seems like only yesterday  
 We teased  
     at her shortness  
 Giggled  
     at her taped eyeglasses  
 But we taunted each other into  
                     friendships.  
  
 She always made time to help

When we never did.  
 Did she want too much?  
     We thought so—  
                     then.  
 But how did we know her time  
                     would  
                                 run  
                                     out.  
  
 Four years  
     have come and gone  
 Since she  
     ran  
         out  
             of time  
 We now look to greater goals.  
     We now live for more.

—Denise Vedro

# HOMECOMING '73

On Friday night, the twelfth of October the Fighting Blues were up against the Rebels of Rockbridge in our annual Homecoming Game. The air was cold, spectators were numerous and spirits were high which created the perfect homecoming atmosphere. The Rebels proved to be too tough for the Blues and Rockbridge went home victorious. Parry McCluer did not let this defeat ruin the happy Homecoming spirit. The dance afterward was sponsored by the cheerleaders and turned out to be a nice end to Homecoming.

The Senior girls nominated for Homecoming Queen were: Karen Scott, escorted by Johnny Fauber, Mitzi Pelter, escorted by Phillip Steele, Sharon Tyree, escorted by Randy Bare. The football team selected Karen Scott as the 1973 Homecoming Queen and she was crowned at halftime.

## The 1974 Prom . . . .

Some real swingers!

Janet is searching for the moonlight!

Everyone is lost in his own thoughts during this break.

The music of Iron Horse made the evening worthwhile.

Is the music that funny Julia?

Through all the troubles and hard work when everyone thought it would never turn out, came a prom that was as successful in the end as it was lovely. The theme was "Dancing in the Moonlight" and the band was "Iron Horse". The music was well suited for the occasion and most people thoroughly enjoyed it.

## One To Remember

It seems a stag line has formed at the refreshment table!

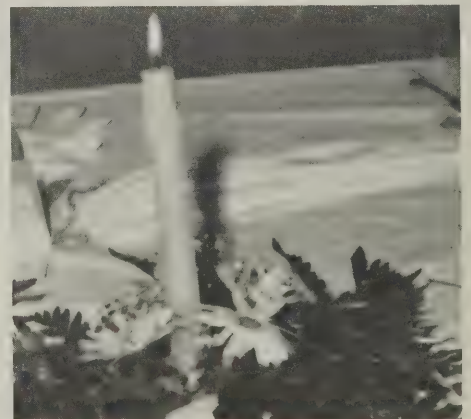

## . . . AND TO CHERISH.

"Come on Ann, this is supposed to be a slow dance!"

Many came in with bare backs and many more left with bare feet.

Candles added to the allusion of moonlight.

# SADIE HAWKINS DANCE

## S.O.D.A

In January, each of the schools in the area selected volunteers to participate in the SODA program which is the Student Organization on Developing Attitudes. The volunteers participated in training for the program over two weekends to prepare themselves for what might come up in the classroom. Mrs. Burks served as the coordinator and Mike Edwards served as PMHS's consultant. There were five meetings scheduled with the seventh grade classes. The purpose of these meetings was to help the seventh graders with questions they might have concerning high school teachers and any other questions they might have. All who participated in the program felt that it was very worthwhile and accomplished quite a bit.

The group served as the jury for two Washington and Lee mock trials and found these experiences very informative and interesting. Several of the students in the course took in a play which was performed at the Troubadour Theater in Lexington. A guest speaker, Bob Chaudoin, very graciously came to the class several times to show slides from Antarctica when he was stationed there. The year proved to be a very worthwhile one for the Honors Course.

# FORENSICS

Forensics is a relatively new activity at PMHS. Last year proved to be the building year. The club was able to gain its recognition and organization. This year, enthusiastically led by Mrs. Guire, the participants earnestly worked for numerous championships. There were girls and boys original oratory; girls and boys prose reading; girls and boys poetry reading; girls and boys extemporaneous speaking; and spelling classes. First of all, there was an intramural competition. The winners from that went to the district meet which happened to be hosted by Parry McCluer. From there Margaret Clay Morris, Phil Steele, Randy Gatzke, and Mark Creasy advanced to the regional meet. Phil Steele and Mark Creasy emerged victoriously from regionals, which headed them for the state meet. Phil Steele won a third place in that competition. From the local to the state competition Parry McCluer was well represented this year.

Mr. Leadbetter presents Jerry Harris of Natural Bridge a trophy which he earned in the district meet.

Chris Fauber and Lem Byers proved themselves as superb spellers in several competitions.

Miss Hedrick is the sponsor of the Math Club. It's officers are: President—Elizabeth King and Secretary-Treasurer—Cathy Chittum. Early in the year, the Math Club had the responsibility of preparing the monthly assembly program. They presented an outstanding skit concerning mathematical careers. It was a very enjoyable and informative program. Several of its members took the National Math Test which was given at Park McCluer this year. In the Spring the Math Club accompanied the Senior math class to the VMI computer center. A demonstration and explanation of the various computers was given. Then every one was allowed to play different games with the computers.

For the first project of the year the NHS sold helium-filled blue and white balloons at a football game. The next money-making project the club undertook was selling basketball buttons which helped promote spirit. The members must work hard at these and other activities in order to pay for the \$100 scholarship which it gives each year. The annual National Honor Society picnic climaxed the club's activities.

The 1973-74 Drama Club was symbolic of a phoenix, the mythological character who from his ashes rose and was born again. The initial step in the rebirth process was the addition of a Speech and Drama class which served as the central planning and working body for all productions. Student interest, participation and dedication quickly emerged enabling the completion of several fine performances.

Under the leadership of Peggy McGuire, this club presented: *The Bus Stops Here*, *Impromptu*, and *The Curtain*. The climax of the years work, *Cactus Flower*, employed a three scene revolving set and played to receptive audiences for two nights.

From the picture at the right you can see that Terry Edwards did it more than once! The Monogram Club also ordered jackets for the letter-winners.

## LIBRARY CLUB

The sponsor of the library club this year was the head librarian, Miss Ravenhorst. The year's activities included holding a Christmas reception for the teachers which was graciously received and enjoyed by all who attended.

The library club also held a book fair for the students which turned out to be a great success. Several bake sales were held by the club throughout the year.

# PEP CLUB

The pep club stayed very active this year. The halls were filled with their "spirit signs" which supported the "Fighting Blues" football, basketball, baseball and track teams. The pictures on this page can prove that much hard work went into these signs.

Skits were designed and performed at various pep rallies through the year to support the Blues.

The club also sponsored a "Mr. Pretty Legs Contest" this year. It proved to be a very competitive event and the coveted title was won by Mike Flint.

## S.A.S.

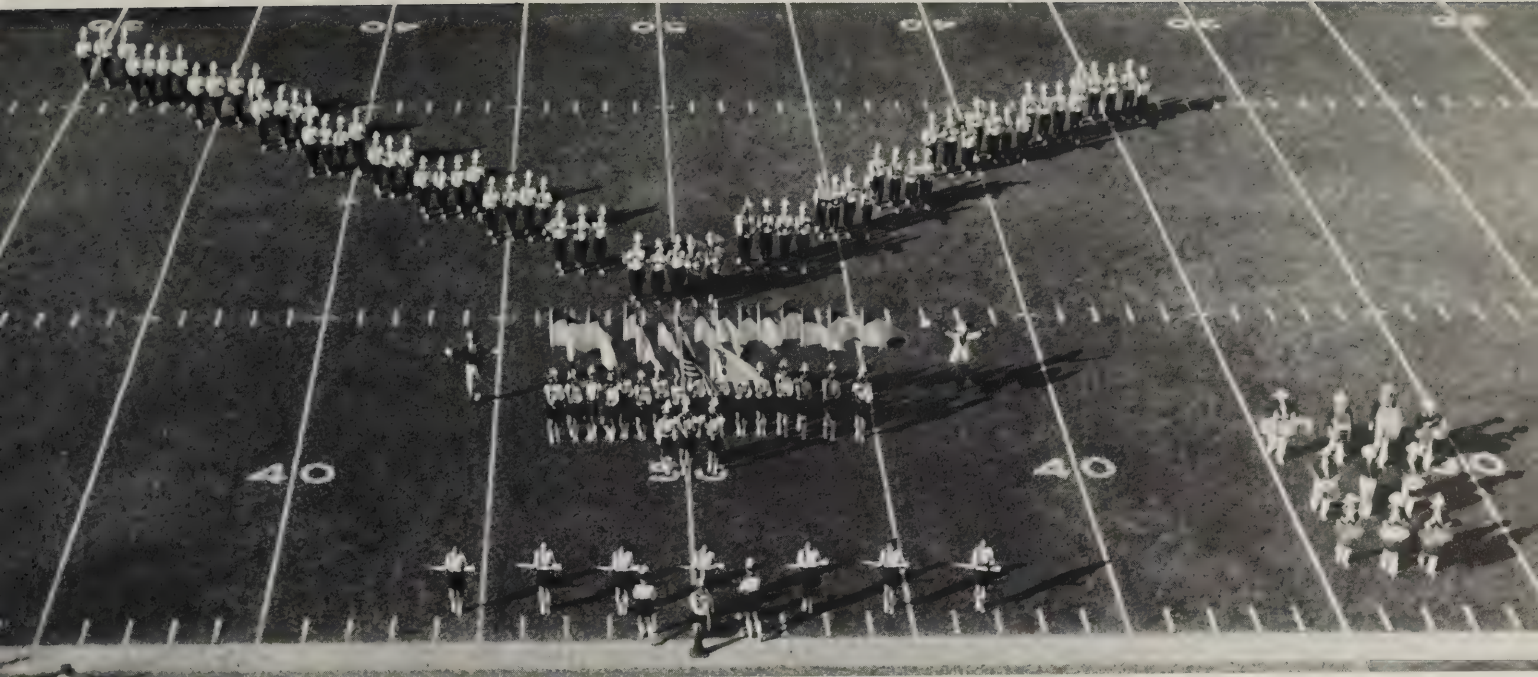

The Students Associated for Service brightened up the school around Christmas time by decorating a Christmas tree in the library. This year for the first time Parry McCluer held a Career Day. Men and women of different professions and businesses were invited to come talk to students who were interested in their field. Members of the S.A.S. assisted in this endeavor by serving as guides.

## It Was a Good Year

August 15, 1973 came too soon for some 50 boys because on that day, football practice for the '73'74 season officially began. The sun and heat were relentless but the boys practiced as if it were not even there.

The opening of school was a relief of some sort, now practices were restricted to after school. Nevertheless all coaches found excellent uses for that short while often stretching it far into dusk.

Coaches: Jim Coleman, Dave Ellison, Mike Sams

Seniors: 1st. Row: Greg Cash, Tim Hill, Mike Morrison, Keith Barger, 2nd Row: Tonto Chittum, Mark Smith, Billy Agnor, Ralph Slagle, Terry Edwards

Sometimes football is a lonely game.

This season was a rebuilding one for the Blues. Not having the big men of the previous years, they had to concentrate on speed, agility and playing together as a team.

This was Coach Coleman's first year as head coach and he proved his ability as he and the other coaches molded the Blues into a team of merit.

Although the season yielded to some disappointments, the team did give us many fine moments of excellent ball and good sportsmanship and we're proud of them.

Good work Blue Football Team!

Dudley, T. Lynn, D. Campbell.

Just hanging around.

The J.V. Football Squad may be young but nobody can say they aren't as dedicated or hard hitting as the Varsity. The whole season the boys worked on fundamentals as well as the all important Team effort. By the last game the team was functioning as a well oiled machine and we feel sure that the experience gained is going to show up next year in the best Varsity Squad ever!

## Girls Prove Themselves

The girls basketball team, now in its second year has shown everyone that they are capable of shooting, passing, and dribbling but most of all: winning. Pride in our girls was evident when at the end of their season they had earned the runner-up trophy for the district.

Janice Carter stood out for the Blue team by scoring a total of 419 points for the season, an average of 29.1 points per game. She is a member of the all-district squad and high scorer for the district.

Coach Lynne Alvine who harped on the basics and on team unity was very proud of the squad and thought they played steadily and with concentrated effort.

We at Parry McCluer no longer doubt the existence of our girls team and look forward with pleasure to the next season when we plan to support them all the way to the district championship.

Janice, on her way to 419!

Miss Alvine in one of her calmer moments.

## CROSS COUNTRY ADDS NEW LOOK

Girls Squad: Coach Jim Barnes, Jill Cropp, Janice Carter, Charlotte Hedrick, Leatrice Martin, Janet Conner

Only in its second year, Cross country got a new look in the 73-74 season as once again the girls at Parry McCluer decided to get a piece of the action. Coached by Jim Barnes they added new dimension and color to the meets.

The boys team did not however let this throw them as they completed another successful year.

Kevin Cropp again led the Blues to a runner-up in the state meet, while setting a new state record for himself.

Coached by W. D. Ward cross country does not require as much teamwork as concentrated personal effort. The courses are sometimes very rugged and we salute the boys who take the time to make our cross country team what it is.

Cross Country Team: 1st Row: Richard Wagner, Kevin Cropp, Eddie Bowyer, Joe Gearheart, Ricky Douglas 2nd Row: Mark Hamric, Coach Jim Barnes, Mike Flint (mgr.), Coach Ward, Tony Black

# Blues are No. 1!!!!

Greg and Paul never got tired of cutting nets.

Students at Parry McCluer can say with fierce pride: We're number #1!

All of us own the 1973 '74 basketball team a great deal of gratitude for closing up our ranks and unifying us into a single minded army of school spirit and pride.

At the beginning of the season everyone saw great potential but we doubt anyone had an idea of how great.

Fighting Blue Team fought on and on conquering new armies in every land.

We are regular season champs, district champs, regional champs, and then we were into the state semi-finals.

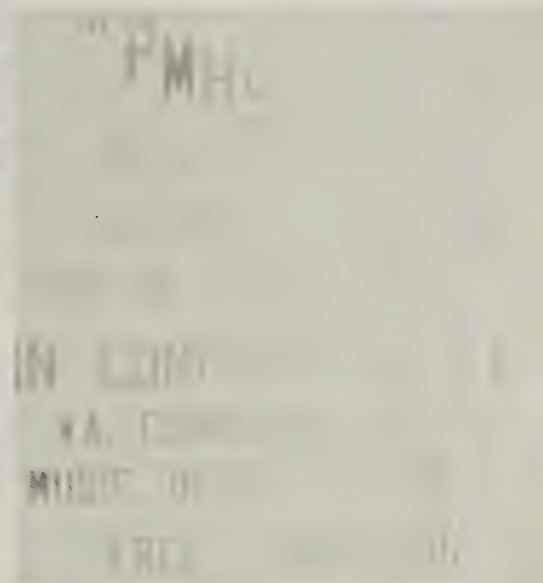

When the final buzzer sounded, sure, we were disappointed but nothing could take away the victories we had won and we're proud to say that the whole school was behind our team 100% through every victory and especially in our defeat.

Powell Valley may have awakened us from our dream of a state championship but they haven't stopped us from dreaming.

Thank-you and Congratulations Basketball Team!!

## JUNIOR VARSITY BASKETBALL

The J.V. basketball team always set the fans spirits' soaring! Their pre-varsity game display of determination and drive was an example to all who sat in the stands. Although the scoreboard didn't always show it, the fans knew who the better team was.

Track meets are a unique experience not only for the performers but for the spectators.

By the time a meet is over the people who only wanted to be innocent bystanders are a wreck!

It is impossible to stand there.<sup>o</sup> Little by little you are drawn closer to the track and each time one of "our" boys runs by your voice gets a little hoarser.

I guess track affects one in this manner because it is such a completely individual sport. Here is an example of true sportsmanship, each member of the squad runs, jumps, and throws with everything he has got in order that the team may flourish.

Our hats are off to the members of the track squad for their excellent performances and dedication.

Danny pours it on!!!

# Wrestling Asks for Attention

Everybody's Doing a Brand New Dance!

This year wrestling entered its second year. Coach Coleman was very disappointed in the lack of student support.

In an effort to spark up the interest he gave each student in the high school a complementary ticket to the P.M. vs. Liberty wrestling meet.

Naturally many students took this advantage and from then on there was no need to talk up wrestling.

All students listened eagerly to hear meet results and more than a few went around quoting statistics and giving technical accounts of who pinned who and so on.

Wrestling is a controlled, calculating game and it is a pleasure to watch the quick cat-like grace which the boys on the team display.

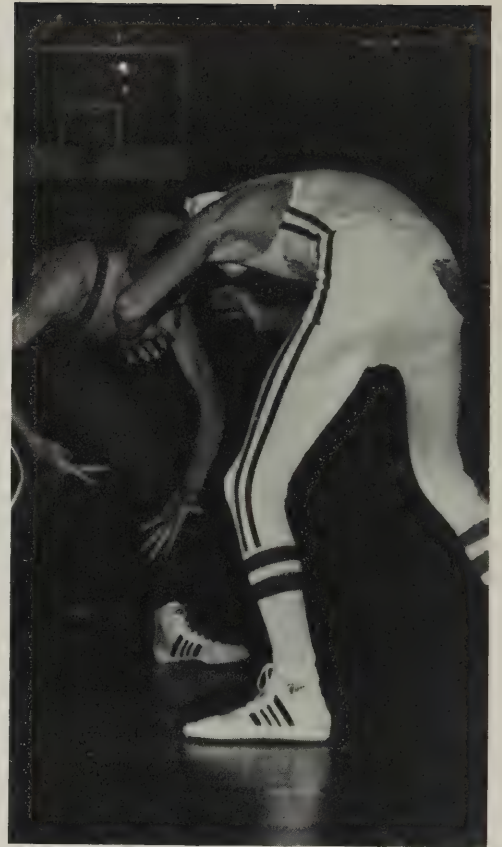

Fans always go away confident that they have seen a superb show of athletic ability but the fans go away totally satisfied when the P.M. team has wrestled another to defeat.

Finally, wrestling is getting its much deserved attention and we can assure the coaches and team both; the Parry McCluer fans are eagerly awaiting another superb season!

## Spring and Outdoor Track Come Together

On your mark; Get set; Ready; GO!

Everyone had a hand in winning the district trophy.

Passing it on!

Coach Ward is all smiles as he holds the trophy

"Down in the infield", bellowed Coach Ward and with that Outdoor Track was on its way!

All season long the track team competed true to form and meet after meet was a runaway. It seems only fitting for them to capture the District Championship and to show considerable strength in both the regional and state meets.

Outstanding performers for the Blues were: Kevin Cropp, a senior who could always be counted on for a first in the mile and 880 runs, Kenny Smith a junior who did well in both the running and field events, and Jay Brown, a junior, who turned in excellent performances in the dashes and pole vault.

We feel the whole squad deserves congratulations for their individual efforts and hope that they continue to provide us with such an entertaining spectator sport.

# Determined Blues Post 12-6 Record

Seniors: Danny Peterson, Greg Cash, Mark Smith, Paul Watts, Mark Templeton.

Winning form . . . Blue's pitching ace, Chuck Lewis, displays the form that enabled him to win seven games.

Realizing that inexperience would have to be overcome by hustle and dedication, the Blues finished the 1974 campaign with 12 wins and 6 losses.

Head coach Mike Sams and his assistants, Mike Turner gained a supreme effort from all sixteen team members. Fine individual performances were turned in by many. Chuck Lewis, in his first year as a starting pitcher anchored the pitching staff with 7 wins and 2 losses. Fine defensive plays were turned in by Greg Cash, Bruce Black, and Butchie Clark. One "Rookie" and one "old hand" carried the load at the plate—Senior Mark "Jelly" Templeton led the team with a .383 Average and Freshman Darrell Manuel hit .353, including three homers and two triples. For his overall team play, Bruce Black was awarded the All-District second base position.

# Varsity Cheerleaders: Got the Spirit

As dedicated as any other team at P.M.H.S. the Varsity Cheerleading Squad never failed to be at the right places at the right times.

Many hours after school were spent not only practicing but planning pep rallies, and making signs for the buses, halls and gym.

Whenever there was a lag in school spirit the cheerleaders never wasted a second, and soon we were yelling our heads off and when we threatened to riot they always managed to keep us in control.

Thank-you cheerleaders for your tireless efforts in building school spirit.

## Cheerleaders

Who says the J.V. Cheerleaders don't do anything? At every event and every where you looked there stood a J.V. squad member. Always glowing with pep and spirit they sold programs, helped in pep rallies, attended the other sports events, and in addition to their duties they lead the cheers at the girls basketball games.

We're sure the J.V. players appreciated the support that was given them, and welcome this opportunity to recognize the excellent work done by the squad.

Boo Ewald, Debbie Cash, Julie McManama, Joy Henson, Lisa Johnson, Tracy Teague (co-captain), Debbie Floyd (co-captain)

## CLOSING

The 1974 Parrimac is completed and I cannot possibly say how grateful I am to those few who gave up their time both day and night to put it together.

There were times when I thought we would never get off the ground and times I also felt we were only falling further behind. This is not the greatest yearbook ever put out at P.M. but I am certain that the experience gained from this years trials and downfalls will make our future books much better. With the sincere help of more interested students much can be gained in the future. However this is for each of you to decide.

I can only again say "Thanks" and wish you the very best of luck.
